CONDITIONS OF RESIDENCE

If I am admitted by St Ann's College Inc ("the College") to be a resident at St Ann's College ("St Ann's") I agree and/or acknowledge that:

1. It is a condition of my continuing residence at St Ann's that my academic progress and general conduct is at all times satisfactory in the opinion of the Principal of St Ann's ("the Principal").
2.
 - 2.1 I acknowledge that I am committed to remain in residence at St Ann's for 30 weeks of the academic year and if I leave the St Ann's for any reason prior to the conclusion of the academic year I agree that I will be liable to pay full fees (in accordance with the schedule of fees issued by the College from time to time ("Fee Schedule")) for the balance of the academic year.
 - 2.2 I acknowledge that I have no entitlement to reside at St Ann's during any period which is outside of the academic year. If the College permits me to reside at St Ann's other than during the academic year, I will be liable to pay fees (in accordance with the Fee Schedule) for any period of residence at St Ann's outside the academic year.

For the purposes of this agreement "academic year" means a period of 30 weeks declared by the College at the commencement of each year and notified to students in the Fee Schedule.

3. I will pay all fees and charges, as are advised to me from time to time and otherwise set out in the Fee Schedule, including a Caution Fee. The Caution Fee will be held by the College as a bond against any damage to property caused by me and against any fees owing in case I leave St Ann's during the academic year and I authorise the College to deduct and retain those amounts from the Caution Fee. I agree that part of my Caution Fee will serve as my life membership subscription to the St Ann's Collegians Association Inc. when I leave St Ann's.
4. I will abide by the rules and regulations of St Ann's as set out in the College Handbook and as varied from time to time.
5. I will:
 - 5.1 not damage the property of other students or the property of the College.
 - 5.2 ensure that all and any electrical equipment I bring into the College is safe and is fit for the purpose for which it is used.
 - 5.3 not modify and alter any piece of electrical equipment in a way which renders it unsafe.
 - 5.4 use all reasonable endeavours to avoid introducing any computer virus into the computers of other students or the College
 - 5.5 indemnify the College for any claims arising from my negligent acts or omissions which result in:
 - a. injury to other students or visitors to the College;
 - b. damage to the property of the College;
 - c. damage to the property of other students or visitors to the College.

I will also indemnify the College for any mis-operation or malfunction of any of my electrical or computer equipment, including but not limited to any claims arising from total or partial destruction, distortion, erasure, corruption, alteration, misuse, misinterpretation, misappropriation or loss of or inability to recover or access data.

6. I acknowledge that while resident in the College my property remains in my legal and physical control and is not in the physical or legal control of the College. **Insurance of my property is my responsibility.**
7. I will participate without payment in the St Ann's work roster (3 hours of Kitchen Duty per semester). I agree that if I do not participate in a satisfactory manner when named in the roster, I will pay \$200.00 to the College. I acknowledge that the only circumstance in which I will not be required to pay \$200.00 to the College is if I make a written request to the person responsible for the preparation of the roster to alter a date on which I am named in the roster and I receive a prior written response from that person accepting the request and advising of the new date for participation.
8.
 - 8.1 If the St Ann's buildings (or any part of them) are destroyed or damaged by earthquake fire or otherwise so that they are not fit for occupation and use, St Ann's may give me notice to leave.
 - 8.2 If the College gives me the notice referred to in 8.1 above, and if it reimburses me a proportion of the fees paid by me in advance (being a pro-rata proportion reflecting the unexpired period to which the fees relate), then I must immediately leave St Ann's and the College will not be obliged to continue to provide me with accommodation and/or any other services.
9. Acceptance of my application for admission as a resident of St Ann's does not guarantee that I will be provided with a room at St Ann's, as that is subject to allocation of rooms at the commencement of the academic year in respect of which the Principal has an absolute discretion. If I am not allocated a room, I acknowledge that I will have no entitlement to reside at St Ann's.
10. Once I have been accepted and allocated a room, I may apply to remain in residence at St Ann's for the academic year of each year of my course of study (subject to the rules and regulations of the College).

11. Admission as a resident of St Ann's qualifies me as a member of the College and I agree to be bound by and comply with the rules of the College as amended from time to time.

In accepting a place at St Ann's:

1. I acknowledge that my readmission for each year of my course is not automatic but will be at the absolute discretion of the College.
2. I agree to abide by decisions made by the College in relation to my application for residency and continued residency at St Ann's.
3. I understand that in certain circumstances my parents or nominated next of kin may be contacted by the Principal or her deputy.
4. I acknowledge that a resident place at St Ann's is granted for the academic year, a period of thirty (30) weeks.
5. I acknowledge that if I am asked to leave the College there will be no remission of fees.
6. I undertake to keep the College fully informed of my academic standing and of changes affecting it, and to maintain regular contact with my tutors.
7. I acknowledge that the gates of St Ann's may be monitored by security cameras and that I may be filmed by those cameras. I consent to being so filmed.
8. I agree to pay, by the due date, accounts for fees and charges issued by the College and that accounts are to be cleared (i.e. paid in full) before the end of each month. Interest of 12% pa (calculated and payable daily), commencing the day after the due date of the account, is payable on overdue accounts.
9. I agree that no interest is payable on the Room Deposit (as specified in the Fee Schedule) and Caution Fee, which are and remain the property of the College and are refundable only on the terms set out in the Fee Schedule.
10. In the event that I default in payment of all or part of any outstanding fees I agree to pay the College the full amount of any legal costs (on a solicitor/own client basis), mercantile commission (up to 15%), costs, disbursements and any other expenses incurred by the College in the collection of such outstandings.

A NOTE ABOUT BURSARIES

The Funds available to St Ann's College for distribution as bursaries are the result of endowments made for that purpose. Former members of St Ann's give as they are able so that those who might not otherwise do so, can benefit from living at St Ann's.

I wish to suggest especially to those who benefit from this Fund that its vital strength will always depend upon the generosity of those who remember the help they received when they needed it.
