St Ann’s College Foundation

Providing opportunities and facilities for our leaders of tomorrow.
What is the St Ann’s College Foundation?

The St Ann’s College Foundation was launched in 1987 to support St Ann’s College in providing students from regional and rural Australia and overseas with high-quality accommodation, services and facilities in an inspiring academic environment while they are studying towards tertiary qualifications.

As the College receives no funding from any government, religious or educational body it depends entirely on student fees and generous benefactors who believe in its work and the future benefit to society of well-educated young people.

Supporting the Foundation will benefit our most valuable asset – our young people.

Is there a more compelling case than the support of young people who will mould and secure the future of the community and the progress of our nation in the years to come?

Your support will ensure the ongoing provision of high-standard facilities and educational opportunities for this and future generations of students.
Why does the Foundation need your support?

The Foundation supports a number of partial bursaries to enable students to stay at St Ann’s College while studying at University.

Regional and rural students are disadvantaged due to the need to live far from their families and communities. There is very little tertiary education available in regional and rural South Australia.

The accommodation buildings and facilities at St Ann’s need constant upgrading and maintenance to keep them at a good, safe and technologically enabled level.

Making a bequest

The Foundation would be grateful for your bequest to enable us to continue our valuable work in providing high-quality accommodation and study opportunities for our future leaders.

If you would like more information or need help with drafting a Will clause, please contact us.
How to donate to St Ann’s College Foundation

Your donation will assist us to provide students with good, safe and technologically enabled accommodation, pastoral care, services and leadership opportunities. With your help, the future is looking bright for our young leaders of tomorrow.

What has the Foundation achieved so far?

Through the generosity of benefactors in the past the Foundation has been able to achieve these much-needed developments:

- Partial bursaries for 12 students each year
- The Dame Roma Mitchell Building — modern accommodation for 35 students, each room with private bathroom and individually controlled air-conditioning
- Two-thirds of student rooms upgraded to include ensuite bathroom and air-conditioning
- Bathrooms in the historic Plummer building upgraded
- State of the art SABRENet broadband internet installed
- Air-conditioning for the library
