Notice of Annual General Meeting

The Annual General Meeting of the St Ann's Collegians Association will be held at the College on Wednesday 15 February 1995 at 6:00 p.m. All Collegians are cordially invited to attend. There will be a light supper and the unveiling of the sculpture afterwards. Any contributions of food or drink would be appreciated.

Participation on Collegians Committee

This is the time of year when we send out a desperate plea for people who are willing to serve as a committee member of the Collegians Association. The Association serves as a vital link between students past and present and offers an opportunity to participate in a worthwhile organisation. The time commitments are not onerous and the Committee is very informal and relaxed in its outlook. Don't be shy!

Collegians in the News

One of the aims of the new newsletter is to try and increase awareness of what other Collegians are doing. So if you can tell us where you are or what is happening in your life, or have enquiries, please get in contact with us or the College. Here are some samples of what we have heard.

Jan Keightley ('64-'65) has been appointed Director of SSABSA.

The anonymous donor who has promised a bequest to the College of $50,000 has identified herself as Adele Jamieson ('66-'71). Ms Jamieson is thus a Governor of the Foundation and is thanked most sincerely for her wonderful generosity.

Adrian Adnan Yong ('77) dropped by the College on a recent trip to Adelaide during Grand Prix week to look at his old College room (it hadn't changed!) for the first time in many years.

On a recent trip to Thailand Carolyn Anderson was able to catch up with Yuen Jet Lee ('83-'85), a former tutor at the College. Jet is married and working in advertising.

Need a Present Idea?

There are plenty of College Caps still available to be purchased. Wool caps are $25.00 and cotton caps are $16.00. Please use the tear-off slip on page four.

The Newsletter and the New Technologies

“187” - a new era
As you can see, the Newsletter has a slightly different format this year, and from now on we will be able to reproduce photos.

The Newsletter, renamed “187” will become a focus for not only Collegian news, but the news of the whole St. Ann’s Community. There will be articles from the Foundation, stories from students and reports from Council.

This is the result of long consultation between the Collegians and the College.

Jane Allgrove (‘47-’51), Lurline Barton (‘47-’48, first President of College Club), Elizabeth Crowe (‘47-’50), Margaret Honey (‘47-’48).

The recent upgrading of computer facilities has also enabled us to make this advance.

Scanning Images
We now have the capability, as illustrated by the inclusion of this 1947 photo sent by Theresa Hayward, to scan any photo sent in by Collegians, so please don’t hold back. It’s vital that we build up a collection of images of the College over time. Even in the photo on the left we can see the absence of undergrowth around the rose garden wall.

Planned Activities for 1995

Innovation
An innovative approach has been mooted for the planned activities in the coming year.

Valuable feedback was provided by the Principal of the College as to the current pressure faced by students in trying to combine study, student-planned social events and Collegian-planned social events.

In the past the Collegians’ sporting day has inevitably clashed with student-organised sport, resulting in poor levels of participation from students. It’s time for something new to bring the groups together.

Intercorridor Soccer
It has been proposed that instead of a tennis day this year, the Collegians put up a team for the intercorridor soccer tournament held by the students on the tennis court in the College grounds.

A barbeque provided for the students by the kitchen can be enjoyed by Collegians. A donation of $5.00 is requested. The Intercorridor Soccer will be conducted on 21 February 1995 commencing at 6:00 p.m. All Collegians are welcome. If you wish to participate in the soccer please bring white soled shoes. It should be a fun night - and you don’t have to play to enjoy it, just turn up.

Intercollegiate Cricket
To further supplement the absence of a tennis day, it is proposed to hold a barbeque for students participating in the Intercollege Cricket Match which will be held in March-April. The Collegians will provide food and drink for a small fee of $2.00 for students and unemployed and $5.00 for Collegians. The cricket is likely to be played at the St Peter’s College Oval which makes for an ideal setting to sit and watch some fine cricket.

The Usual
It is anticipated that Collegians will continue to hold a Pub Night, Quiz Night and a Film Night. Dates for these events will be supplied in coming newsletters.

1997 Celebrations
The 50th year of operation of the College is fast approaching and ideas are desperately needed for suitable functions to commemorate the event. If you have any ideas please tell us by replying on the tear-off slip on page four.
Morella Calder 1948 - 1993

Obituary

The College mourns the premature passing of Morella Calder ('67-'72).

Morella, who was Senior Tutor in 1972, was a leading maritime lawyer. She was involved in ratifying the 1982 United Nations Convention on the Law of the Sea, a 12-year, 60-person process which concluded only six days before her death.

Morella graduated from The University of Adelaide in 1972 and joined the secretariat of the International Chamber of Shipping in London the following year. Between 1976 and 1979 she worked with leading New York maritime law firms. Her tools of trade included white overalls which she used to don before climbing Jacob's ladders to inspect shipping in port.

In 1983 she was appointed a Councillor of the Australian Maritime College at Launceston. Speaking in June 1994 at the Graduation Ceremony of that College, she said: "Pursue your goals with passion, be kind to others, and yourself. Never be afraid to stand up and be counted and always speak your mind."

Morella had a piquant sense of humour. She made time to write poetry and fiction all her life, while intelligently trailblazing on behalf of women lawyers in a hitherto male domain. She was a devoted wife and mother. Her many friends greatly miss her.
