President’s Report

On behalf of the members of the Collegian’s Committees from the past few years, I would like to extend a vote of thanks to Carolyn Anderson for her dedication and expertise in leading the Collegians as President. I hope that she continues her valued input for a long time to come.

The next couple of years are going to be big stepping stones for the St Ann’s Collegians. We will be having more people involved in college events and in contact with each other probably than ever before. The events leading up to and during the 1997 Jubilee are for everybody who has ever been involved with St. Ann’s so don’t be shy to come along and get involved.

The Collegians will have their work cut out for the next two years organising these events, so please if you can help at all get in touch with someone on the Committee.

Finally I would like to say good luck to the rest of the 1996 Committee and hope that you enjoy your involvement with this Association.

The Collegians are an important part of the College community and we, as a Committee, will be endeavouring to continue, expand and renew the friendships you made during your residence at St Ann’s.

Ashley Hams
1996 President

Principal’s Tour

An Open Invitation

The Principal, Dr Rosemary Brooks, and her husband, Mr Simon Stevens, will be visiting educational institutions in Singapore and Malaysia in April 1996. In particular, they hope to visit the offices of IDP Australia in Singapore and Kuala Lumpur, and also Taylor’s College, Sunway College and Prime College. In this way they can gain a better understanding of the needs and circumstances of Malaysian students who come to St Ann’s.

They would love to catch up with former students, especially those whom they know personally. If you are able to do so, please contact them at the following:

April 5: Traders Hotel, Singapore
April 7: Ramada Malacca Hotel, Malacca
April 8-10: Park Royal Hotel, Kuala Lumpur
April 11-13: Park Royal Hotel, Penang.

Boxroom and Bikes

If your bike is here, please pick it up. Any unclaimed bikes will be sold. The same goes for anything belonging to you which has been left in the boxroom. The space is needed for the current residents.

1984 College Photo

1984 is the only one missing from our collection. If you have one, please, pretty please, give us a call or drop it round. It will be copied and returned to you in good condition as soon as possible. Thank you sooooo much.

The Collegians Awards this year have been won by students at The University of Adelaide,
* Susan Hinze from Coonawarra studying Science,
* Nyawira Miano from Nairobi, Kenya studying Economics,
* Travis Olds from Broken Hill studying Commerce; and at the University of South Australia,
* Joanne Moore from Loxton studying Medical Radiations. Congratulations and best wishes to them all.
Band-style entertainment. There will be other functions on the same weekend, including College tours and other events at the College.

A historian has been commissioned to write a history of the College, to be launched on Founders Day in 1997. Copies will be pre-sold at all of the celebration events at a reduced price.

Decade dinners will be held at the College beginning in June this year. Each of the Dinners will be hosted by people who lived in College during that decade. These dinners will be great opportunity to renew links with the College Community and catch up with people you haven’t seen in years. The dates for each of the dinners are listed to the right; please keep them free and plan to come along with your friends.

You are all warmly invited to your Decade Dinner. How can we celebrate without you?

The format is still to be finalised, however it is likely to be at 7 for 7.30 pm at St Ann’s College. Please telephone your RSVP to Chris in the office on (08) 267 1478 or fax (08) 267 1903. Cost is $25.00 each. We are looking forward to seeing you and helping you to renew acquaintance with your old friends.

Remember, this is a big celebration. We only have a Jubilee once in a century!
