President’s Report

The Quiz Night, held on 10 May, was well patronised and heaps of fun. Questions were posed by Quiz Masters Graeme Jackson and Richard Sinclair, there was fierce competition in the Minty Wrap Rip Competition, and many coins were thrown at the Magnum of champagne in an attempt to be the closest. The after-quiz auction was kindly conducted by Andrew Harnett whose brilliance with the microphone still has people wondering if he should turn his hand from teaching to radio. All in all, we raised nearly $800 thanks to the generosity of sponsors and those who attended.

The first of the Decade Dinners (1947-1957) was held in early June and it was a wonderful night. Friendships were rediscovered as people who hadn’t seen each other for nearly 50 years got together again. Ashley Hams and Nicole Koenders attended the dinner representing the Collegians. Dr. Pauline Payne gave a short address at the dinner and was very busy collecting stories for the History as there was no shortage of amusing stories being told. Many thanks must go to the Convenor, Rosemary Hill-Ling (nee Porter) (52-54), and her loyal helpers.

Pub Night. Good food. Good beer. Good night out. There was lots of competition for the unofficial title of “Best Daytona Driver” with everyone including Dr Brooks having a race.

We would like to introduce some new events in the future that will interest everyone. If you have some suggestions let us know!!

Make sure that you have the date of your Decade Dinner circled on your calendar - and if you span two decades come to both dinners! Also don’t forget the Jubilee Celebration Dinner is on April 26th next year.

Ashley Hams
1996 President

1997 Jubilee Celebration

Many of the celebrations for St. Ann’s College Jubilee will be taking place on the Anzac Day long weekend. The celebrations will begin on Friday night (25th April) with a champagne reception at the College. This will be a good chance to catch up with people that you haven’t seen for awhile. The reception will be followed by “Back to the Cath” for those interested.

On Saturday morning tea will be held at the College. There will be an Old Collegians music recital at this time. If you would like to be included in the recital please let us know, we would love to have you. During the morning students will conduct tours of the College so you can see how much things have changed since you were here. There will be a memorabilia display in the tutorial rooms as part of the tours. We have found all sorts of wonderful things in the College archives that will be on display. These include newspaper articles, dance cards from early College Balls, and lots of photos.

Saturday night will be the Jubilee Celebration Dinner at the Adelaide Convention Centre. The night will include a three course meal, and live entertainment. We have hired the band “Lookin’ Sharp” who are a Forties style swing and Jazz band. Tickets cost $70 and must be purchased in advance. They can be purchased by sending a cheque to St Ann’s College marked for the attention of the Dinner Convenor. Cheques should be made out to St Ann’s Collegians Association. Please feel free to arrange with your friends to sit on the same table, and send us a list of who is on the table. There will be ten people on each table.

Dr Pauline Payne is having a wonderful time talking to people and finding stories to include in the History of St Ann’s College. If you have stories she would love to hear them. You can either jot them down and send them to her care of the College, or she would be happy to talk to anyone in person. The history is going to contain lots of photos. If you have any photographs taken while you were at College that we could borrow for the history they can be sent to Dr Payne care of the College. The History will be launched at Founders Day next year. Copies are being pre-sold now at a discount - see the enclosed brochure for more details.

Jubilee is derived from a Hebrew word for ram, hence a ram's horn, with which the jubilee year was proclaimed by the blast of trumpets throughout the land. It was to be kept every fifty years and during it the fields were to be left untilled and slaves set free.
