Champagne Reception

Friday 25th April 6.30 pm - 8.30

The Reception in the Dining Room gives you an opportunity to meet your friends back on college ground in a fairly informal setting. There will be a brief welcome by the Principal. People will be able to 'swan' about enjoying the finger food and champagne and listening to the sound of current students' music.

Please begin celebrating the achievements of our uniquely independent community in this wonderful manner. Our celebrations will focus on the pioneering beginnings of the College in women's education and the continuing commitment of the College community to forward thinking and progressive leadership in the wider world.

Saturday 26th April 7 pm - 12 Midnight

The Jubilee Celebration Dinner

Tickets to the Dinner are selling like hot cakes!! There is less than a month until the last day to buy. Final numbers must be given to the Convention Centre on Wednesday April 23rd, so make sure you have purchased your tickets well beforehand.

Let Chris in the Office at College (08 8267 1478) know who you would like to sit with at the Dinner. This can be done via the form on the back page or by phone. Remember, the sooner we have your cheque the sooner we can organise your table.

Saturday 26th April 10 am - 1pm

Morning Tea

Morning Tea begins at 10 am in the Common Room. Collegians are welcome to have some refreshments and take a tour of the College, visiting old rooms and seeing the new facilities.

Tours will be led by the current tutors and College Club Committee. These will include visits to the computer room, design room and a standard room.

A **Concert** has been organised at 11am by those students who have been the Impresarios for the Founders' Day Concerts since 1984.

Saturday 26th April 7pm - 12 midnight

The Band *Lookin' Sharp*

Lookin' Sharp are Adelaide's sassy swinging stylists with fresh arrangements of old favourites brought back to life with sparkling panache, including hits from Cab Calloway, Count Basie, Xavier Cugat, Ella Fitzgerald, the Andrews Sisters, Glenn Miller and many more. So make sure you are in the mood for an exciting repertoire of slick swing and hip vocal harmonies.

Aileen Thompson Bequest

The St. Ann's College Foundation pays tribute to Aileen Thompson B Sc, whose magnificent bequest in 1996 entitles her to Foundation Membership at the Governor level.

Ms Thompson was resident at St Ann's in 1951-2 while working for The University of Adelaide in the Institute of Medical and Veterinary Science. Her fond memories of the College encouraged her to remember St Ann's and its students in her will.

A keen naturalist and Gallery Guide, she co-authored a handsomely illustrated paper in *Archives of Natural History* vol. 23 (1996) on John William Lewin's watercolour and line drawings in the Linnean Society of London archives.

Vale Aileen Thompson, we thank and salute you. Your memory will always live at St Ann's.

*“Think where[one’s] glory most begins and ends,
And say my glory was I had such friends.” - W.B. Yeats*

The single most important reason to attend the Jubilee Celebration Dinner is to meet with your friends in an atmosphere reminiscent of that in which you first met. Hope to see you there.
