President's Report

Welcome to a fun-filled and exciting year that is the St Ann's Collegians Association. We have some of the same faces on the Committee this year and a couple of new ones. I would first like to say thank you to Carolyn Anderson who has reluctantly resigned from the Committee after eight years of excellent service, which included two years as President. Cally's contribution to the Collegians cannot be overstated and she deserves our congratulations on a job well done.

The year has already got off to a whiz bang start with the second annual Pavilion Party. Once again Greg and Simon produced a superb home brew for the revelers to partake in and a great time was had by all. The Volleyball challenge against the students was again a very exciting close game, with the students just coming out on top thanks to youthful enthusiasm and some very tall bloke who stood at the net and knocked everything back twice as fast as we could put it over. The winning trophy

was presented to the students by Rosemary Hill-Ling (thanks Rosemary) and immediately spirited away to take pride of place in the St Ann's trophy cabinet.

The pub night at the British is coming up on April 30 which should be great, as last year hoards of people attended. A very spirited males vs females darts challenge ensued later in the night and I am sure there will be a rematch in some way shape or form this year. Looking forward to seeing as many of you there

as possible.

That's it for now except to say that the Collegians will only be successful if our members support Collegians events and really get involved. If there is anything that you would like us to organise or any areas where you think we can improve, let us know, our door is always open.

Details of Up-Coming Event

Pub Night

Pub Night is at the British Hotel on Friday 30 April from 7pm.

A table has been booked for dinner, so you can eat yummy scrummy food if you like or just come later for drinks and good company.

The event is being held to coincide with the Graduation ceremonies so that all you groovy grads can come along and compare wall plaques.

The good oil says to bring a jacket with you as it gets a bit fresh later on in the beer garden.

The film night is to be

Film Night

held on Thursday 10 June 1999 at 6.50 pm.

Tickets are available now from the College Office (ph: 8267 1478) or any Committee member for the bargain price of \$10 adults and \$7.50 for concession card holders.

Please let us know whether you will be attending as we need to inform the cinema about numbers.

If you just have to buy your tickets on the night please make sure you get them before 6.30 pm. Collegian Committee members will be selling tickets.

We are very lucky to have *Star Wars Episode I: The Phantom Menace* as the movie and I reckon squillions of people will want to come and feel the force, so book now to avoid disappointment.

Hopefully you can stay for wine and cheese after the movie.

A door prize is available for the best costume on the night – the more people who come as Princess Leia the better.

Building Program

You may be aware of the exciting plans that the College has lodged with the Adelaide City Council to provide our students with

- ⇒ New library facilities including computer facilities
- ⇒ Improvements to the dining room
- ⇒ Upgraded accommodation to put the College on an equal footing with alternative accommodation.

We hope that all Collegians will give their support to the project, and **we invite you to view the model of the project and the visuals at the College, when convenient to you.**

You may also be

aware that the project has been approved in its entirety by the Adelaide City Council but that an appeal has been lodged by a resident who seems to be principally opposed to the demolition of the cottages. The appeal is against the Adelaide City Council's decision and the College is represented as a third party only.

You will appreciate that it is inappropriate to comment on the outcome of the appeal as it is before the Environment and Resources Development Court.

We look forward to your support in this major step forward for the College, preparing for its next 50 years of caring for its community of students.

Jubilee Rugby Jumpers

We have St Ann's Jubilee Canterbury Rugby Jumpers available in all sizes. If you would like to buy one please ring Simon on 8239 8794 – great for winter at only \$65. Caps, mugs, watches and stickers are also available. All proceeds go to supporting the scholarship fund.
