## President's Report

Welcome to the Summer 2012 Newsletter, wow what a year 2011 was! It was the year that the Collegians turned 60. Additionally it seemed that everywhere you looked there were busy Baboons achieving great feats. The Collegians again hosted successful Mentoring Dinners for current students in addition to a successful 20 Year Reunion Dinner and Newsletters. A highlight this year was our Strategic Planning Meeting with the invaluable

assistance of Dr Bronwyn Halliday. This was conducted to reflect where we have come over the last few years and assess where we wish to head over the next few. The key aspect highlighted at this was that we need to consolidate and strengthen our database, which leads into our second aim of improving our 20 Year Reunion Dinners. Additionally we will endeavour to capture more corporate

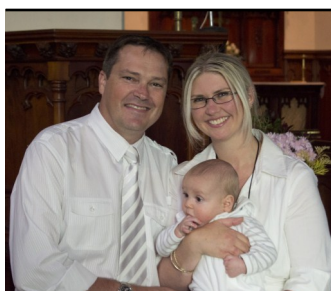

knowledge and finally continue working on our online presence, so if you're not our Facebook friend yet please join. In conclusion I would like to thank the Committee for their efforts this year, specifically DB and Simon for their extensive knowledge and professionalism and I look forward to another great year in 2012. Finally for those students who have graduated good luck for your next step in your future,

for those continuing to study keep working hard, and for ALL Baboons please remember if you have been overseas, got married, graduated or done anything newsworthy please let us know and allow us to share it in the next Newsletter.

To all Baboons all the best for 2012!
